Syds Wedding	March 23rd 1940 Vinia looks round & shows you the flowers on her hat. Her costume is a three-way affair sort of jumper & white waistcoat & can be worn plain or with blouse.
Well	Not so many on this, missed my aim I suppose. Mother doesn't want me to send any with her on them. Vinia's father is a very lovely jolly fellow & her mother is very pleasant.

He March 23 1940 The happy couple outside the Church. They looked very nice & the morning was bright & sunny but rather cool standing still in the breeze

Got March 23 1940 Taken at 29 Holden Ave. when we came home after the reception Mother is frowning & doesn't like it & Pa thinks he doesn't look bad. Gertie says she looks awful & Sally says diffo. What do you say.

Married March 23 1940 Still another of the party outside the Church at Smallthorne. Not so good. Vinia has a blue costume (navy) & navy hat. Her sister wears a light blue. Syd has a blue-y grey suit.

Eddie Our Derek in his new suit it is just like Keith's & really like a man's suit

Syd Syd on his estate just to show you where the house is situated. He is standing at the bottom of the garden & you see the pool Milton & the slag heaps. This is the view from the kitchen window.
